## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Bread for the World, Inc. and Affiliate

We have audited the accompanying consolidated financial statements of Bread for the World, Inc. and Affiliate (collectively, "the Organization"), which comprise the consolidated statement of financial position as of December 31, 2014; the related consolidated statements of activities, functional expenses, and cash flows for the year then ended; and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

***Auditor's Responsibility (continued)***

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Report on Summarized Comparative Information***

We have previously audited the Organization's December 31, 2013 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated May 14, 2014. In our opinion, the summarized comparative information presented herein, as of and for the year ended December 31, 2013, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information included on pages 19-20 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with accounting principles generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

## **Bread for the World, Inc. and Affiliate**

Notes to Consolidated Financial Statements  
December 31, 2014

### **1. Nature of Operations**

Bread for the World, Inc. (“Bread”) was established to organize Christians in the United States from various church bodies to advocate policies, both governmental and nongovernmental, that will help combat hunger and poverty in the United States of America and throughout the world. Bread for the World Institute, Inc. (“the Institute”) was established to conduct and gather impartial, scientific research and analysis of the causes, nature, and prevention of poverty and hunger in the United States of America and throughout the world. The dissemination of the results of such research and analysis is by means of printed and electronic materials, discussions, lectures, ecumenical liturgies, and other appropriate media. These activities are funded primarily through contributions and memberships, foundation grants, endowments, bequests, and gift annuities.

### **2. Summary of Significant Accounting Policies**

#### Principles of Consolidation

The accompanying consolidated financial statements include the account balances of Bread and the Institute (collectively, “the Organization”). Bread and the Institute share the same Board of Directors and share common facilities and personnel. Bread and the Institute have been consolidated due to the presence of common control and economic interest, as required under accounting principles generally accepted in the United States of America. All significant intercompany transactions and balances have been eliminated in consolidation.

#### Basis of Accounting and Presentation

The Organization’s consolidated financial statements are prepared on the accrual basis of accounting. Net assets are reported based on the presence or absence of donor-imposed restrictions, as follows:

- *Unrestricted net assets* represent funds that are not subject to donor-imposed stipulations and are available for support of the Organization’s general operations. Unrestricted net assets also include \$4,069,992 of amounts designated by the Board of Directors as a quasi-endowment.
- *Temporarily restricted net assets* represent funds subject to donor-imposed restrictions that are met either by actions of the Organization or through the passage of time.

## **Bread for the World, Inc. and Affiliate**

Notes to Consolidated Financial Statements  
December 31, 2014

### **2. Summary of Significant Accounting Policies (continued)**

#### Basis of Accounting and Presentation (continued)

- *Permanently restricted net assets* represent funds in which the principal must be held in perpetuity, while the earnings may be available for general operations or restricted purposes imposed by the donors.

#### Cash Equivalents

The Organization considers as cash equivalents all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of 90 days or less at the time of purchase.

#### Pledges Receivable

Pledges receivable represent unconditional promises to give. Amounts to be collected more than a year after the balance sheet date are recorded net of a present value discount. The discounts on these amounts are computed using risk-free interest rates applicable to the period over which the promises are to be received. The Organization provides an allowance for doubtful pledges using the allowance method, which is based on management's judgment, considering historical information. Accounts are individually analyzed for collectability, and will be reserved based on individual evaluation and specific circumstances. When all collection efforts have been exhausted, the amounts are written-off against the related allowance. At December 31, 2014, no allowance was recorded as management believes that all pledges are fully collectible.

#### Investments

Investments are stated at fair value. The estimated fair values of investments in the Evangelical Lutheran Church in America (ELCA) Endowment Pooled Trust Fund, which is subject to certain withdrawal restrictions, are provided by the external investment manager and may be based on historical cost, appraisals, obtainable prices for similar assets, or other estimates. Because of the inherent uncertainty of valuation for these investments and in certain underlying investments held by the fund manager, values for those investments may differ from values that would have been used had a ready market for the investments existed. The Organization reviews and evaluates the values provided by its investment manager and agrees with the valuation methods and assumptions used in determining the fair value. Unrealized gains and losses are reported as a component of investment income and are included in the accompanying consolidated statement of activities.

## **Bread for the World, Inc. and Affiliate**

Notes to Consolidated Financial Statements  
December 31, 2014

### **2. Summary of Significant Accounting Policies (continued)**

#### Property and Equipment

Property and equipment purchased at a cost of \$5,000 or more and with an estimated life exceeding one year are capitalized and recorded at acquisition cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from five to ten years. Leasehold improvements are amortized over the shorter of the estimated useful life or the original life of the lease. Expenditures for repairs and maintenance are expensed as incurred. Upon the retirement or disposal of assets, the cost and accumulated depreciation or amortization are eliminated from the accounts and the resulting gain or loss is included in revenue and support or expenses in the accompanying consolidated statement of activities.

#### Revenue Recognition

Contributions, including unconditional promises to give, memberships, and foundation grants, are recognized as revenue at their estimated net realizable value in the period in which they are received or promised. The Organization recognizes bequests in the year the promise to give becomes unconditional, which is at the time the probate court declares the will valid and the proceeds are measurable in amount. Contributions received are considered to be available for use unless specifically restricted by the grantor or donor to one of the Organization's programs or to a future year. Amounts received that are designated for a future period, or are restricted by the grantor or donor for specific purposes, are reported as temporarily restricted or permanently restricted support that increase those net asset classes.

When a donor restriction expires, that is, when a purpose restriction is accomplished or time restriction has elapsed, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. Temporarily restricted net assets are reported as unrestricted net assets if the restrictions are met in the same period received.

All other revenues are recognized when earned.

#### Functional Allocation of Expenses

The costs of providing the Organization's various programs and activities have been summarized on a functional basis in the accompanying consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

## **Bread for the World, Inc. and Affiliate**

Notes to Consolidated Financial Statements  
December 31, 2014

### **2. Summary of Significant Accounting Policies (continued)**

#### Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

#### Comparative Information

The consolidated financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's 2013 consolidated financial statements, from which the summarized information was derived.

#### Subsequent Events

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through April 23, 2015, the date the consolidated financial statements were available to be issued.

### **3. Concentration of Risk**

Financial instruments that potentially subject the Organization to significant concentrations of credit risk consist of cash and cash equivalents, investments, and pledges receivable. The Organization maintains cash deposit and transaction accounts, along with investments, with various financial institutions and these values, from time to time, exceed insurable limits under the Federal Depository Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC). The Organization has not experienced any credit losses on its cash and cash equivalents, and investments to date as it relates to FDIC and SIPC insurance limits. Management periodically assesses the financial condition of these financial institutions and believes that the risk of any credit loss is minimal. Pledges receivable consist primarily of amounts due from private foundations. Management believes the credit risk related to these receivables is minimal.

## Bread for the World, Inc. and Affiliate

Notes to Consolidated Financial Statements  
December 31, 2014

### 4. Pledges Receivable

Pledges receivable are due as follows at December 31, 2014:

Due in less than one year	\$ 3,752,386
Due in one to five years	<u>1,285,554</u>
Subtotal	5,037,940
Less: present value discount (at 1.1%)	<u>(17,827)</u>
Total pledges receivable, net	<u><u>\$ 5,020,113</u></u>

### 5. Investments and Fair Market Value Measurements

The Organization follows Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, for its financial assets. This standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Fair value measurement standards require an entity to maximize the use of observable inputs (such as quoted prices in active markets) and minimize the use of unobservable inputs (such as appraisals or other valuation techniques) to determine fair value. The categorization of a financial instrument within the hierarchy is based upon the pricing transparency of the instrument and does not necessarily correspond to the entity's perceived risk of that instrument.

The inputs used in measuring fair value are categorized into three levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and liabilities and have the highest priority. Level 2 is based upon observable inputs other than quoted market prices, and Level 3 is based on unobservable inputs. Transfers between levels are recognized at the end of the reporting period.

In general, and where applicable, the Organization uses quoted prices in active markets for identical assets to determine fair value. This pricing methodology applies to Level 1 investments and consists of the Organization's mutual funds. The ELCA Endowment Pooled Trust Fund is valued at the fund's net asset value (NAV), as provided by the investee fund management, unless other factors lead to a determination of fair value at a different amount. These adjustments are made in cases in which certain features and conditions of the investment warrant a further adjustment (either a discount or premium) to NAV, such as recent financial information received. As of December 31, 2014, funds valued at NAV are classified within Level 2, if the notice period for redemption is 90 days or less.

### 6. Property and Equipment

Property and equipment consists of the following at December 31, 2014:

Leasehold improvements	\$ 1,428,676
Furniture and equipment	513,705
Software	<u>27,010</u>
Total property and equipment	1,969,391
Less: accumulated depreciation and amortization	<u>(982,179)</u>
Property and equipment, net	<u><u>\$ 987,212</u></u>

### 7. Temporarily Restricted Net Assets

At December 31, 2014, temporarily restricted net assets were available for the following purposes:

Time restricted	\$ 6,037,721
Public education and other programs	517,445
Building fund	121,989
Unappropriated investment earnings on permanently restricted endowment	<u>224,361</u>
Total temporarily restricted net assets	<u><u>\$ 6,901,516</u></u>

### 8. Endowment

The Organization's endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as an endowment. Under accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

## **Bread for the World, Inc. and Affiliate**

Notes to Consolidated Financial Statements  
December 31, 2014

### **8. Endowment (continued)**

#### Interpretation of Relevant Law

The Board of Directors of the Organization has interpreted the District of Columbia's Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted funds: (1) duration and preservation of the fund; (2) purposes of the Organization and the donor-restricted endowment fund; (3) general economic conditions; (4) possible effect of inflation and deflation; (5) expected total return from income and the appreciation or depreciation of investments; (6) other resources of the Organization; and (7) investment policies of the Organization.

#### Return Objectives, Risk Parameters, and Strategies

The Organization follows a conservative investment policy for endowment assets that attempts to preserve fully the original corpus and optimize returns. Should significant, new donations be made to the endowment assets, the Organization's investment policy would permit a strategy of long-term growth of the endowment assets. Under such a policy, the endowment assets would be invested in a manner that is intended to produce results exceeding major investment benchmarks while assuming a moderate level of risk.

#### Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization has a policy of appropriating 5% of the trailing four-year average of the Board-designated endowment for use in operations each year. All earnings of the investments are reinvested within the Board-designated endowment. The Board of Directors intends for the endowment to be used by the Organization only upon approval of 2/3 of the members of the Board of Directors with fiduciary authority.

#### Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the organization to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature would be reported by the Organization in unrestricted net assets. There were no fund deficiencies for the year ended December 31, 2014.

### **9. Retirement Plan**

Bread sponsors a defined-contribution retirement plan that covers all employees who have completed at least one year of service and have worked at least 1,000 hours. Employer contributions are discretionary and are computed as 8.6% of the participant's compensation, plus 4.3% of such compensation that exceeds 25% (annualized rate of 50%) of the Social Security wage base (the 2014 wage base was \$117,000). For the year ended December 31, 2014, the Organization recorded contributions to the plan totaling \$447,037.

### **10. Commitments**

#### Operating Leases

The Organization leases office facilities in Washington, DC, under a noncancelable office lease, which expires on September 30, 2021. This lease agreement includes certain additional storage space in the building and contains a provision for an increase in rent of 2.5% per annum on the anniversary date of the lease. All terms, covenants, and conditions of the office space lease apply with respect to the storage space, except operating charges and real estate taxes. The office lease also contains both a lease incentive (tenant allowance) for construction and rent abatements for the first ten months from the commencement date of the lease. In accordance with accounting principles generally accepted in the United States of America, all fixed rent increases are recognized on a straight-line basis over the terms of the leases. The difference between this expense and the required lease payments is reflected as deferred rent on the accompanying consolidated statement of financial position.

### 10. Commitments (continued)

As of December 31, 2014, the future minimum rental payments required under the office lease are as follows for the years ending December 31:

2015	\$	643,669
2016		665,426
2017		697,414
2018		714,916
2019		732,639
Thereafter		<u>1,324,922</u>
Total	\$	<u><u>4,778,986</u></u>

The Organization also leases office equipment under the terms of various operating leases. Rent and utilities expense totaled \$915,952 for the year ended December 31, 2014, and is included in facilities expense in the accompanying consolidating schedule of functional expenses.

### 11. Related Party

The Organization shares its premises and some administrative and program personnel with the Alliance to End Hunger (“the Alliance”), an organization that is exempt from income tax under Internal Revenue Code (IRC) Section 501(c)(3). Costs are allocated between the entities based on actual expenses incurred and an overhead allocation, as described in the shared services agreement between the organizations. As of December 31, 2014, the Organization owed the Alliance \$10,467 under this agreement. These amounts are included in the accompanying consolidated statement of financial position.

### 12. Allocation of Joint Costs

The Organization achieves some of its programmatic goals by direct mail, informational materials, and similar campaigns that include requests for donations. The cost of conducting those campaigns was allocated as follows for the year ended December 31, 2014:

Public education	\$	1,431,096
Fundraising		<u>775,266</u>
Total joint costs	\$	<u><u>2,206,362</u></u>

### **13. Income Taxes**

Bread is exempt from the payment of income taxes on its exempt activities under IRC Section 501(c)(4). The Institute is exempt from the payment of income taxes on its exempt activities under IRC Section 501(c)(3). At December 31, 2014, no tax provision was made as the Organization had no significant unrelated business income.

Management has evaluated the Organization's tax positions and concluded that there are no significant uncertain tax positions that qualify for either recognition or disclosure in the accompanying consolidated financial statements. The Organization files Forms 990 in the U.S. federal jurisdiction, and is generally no longer subject to examination by the Internal Revenue Service for years before 2011.
