

BREAD FOR THE WORLD SUNDAY 2019

“And all ate and were filled.”

— Luke 9:17a

There is enough ... More than enough

On Bread for the World Sunday, we join others in offering prayers for those who suffer from hunger in our own country and abroad — and for our decision makers who can change the policies and conditions that allow hunger to persist.

Our prayers are especially urgent at this time. In the United States, one in six children faces the threat of hunger. Worldwide, nearly one in four children endures the lifelong sentence of stunting because of chronic malnutrition.

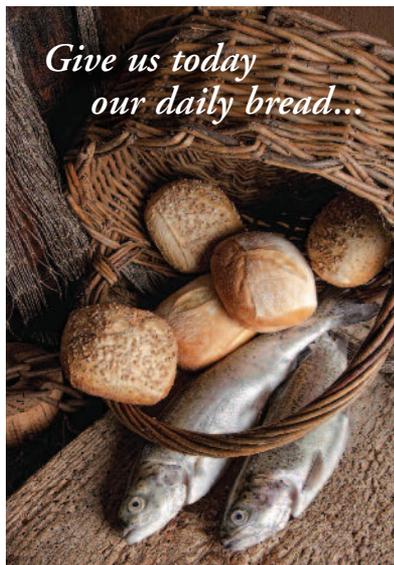

In response to these urgent needs, we join with others in urging our nation’s leaders to support measures that improve nutrition for mothers and children. Together, we can help give all children the chance to grow and thrive.

Throughout Luke’s Gospel — and especially in the feeding of the 5,000 (Luke 9:10-17) — Jesus invites us to partake of the feast of God’s abundance. Trusting that God, our creator, provides more than enough for all those in need, we rededicate ourselves to working together to make sure that all share in this abundance.

A Prayer for Bread for the World Sunday

GOD, OUR CREATOR, we give you thanks for every breath of life and for every gift that comes from your abundant grace. May we so trust your grace that we work to see that all who hunger are fed and that all share in your abundance. In Jesus' name, we pray. *Amen.*

Bread for the World is a collective Christian voice urging our nation's decision makers to end hunger at home and abroad. Our work to change the conditions and policies that allow hunger to persist is supported by all major church bodies and sustained by generous contributions from individuals, families, and congregations.
