HAVE FAITH. END HUNGER.

[Date]

Dear Sen. _____, or Dear Rep. _____,

As you consider 2018 year-end spending decisions, I ask that you protect funding for critical anti-hunger and anti-poverty programs. I am deeply opposed to a spending bill that, if passed, would increase hunger and poverty in the United States and around the world.

With 1 in 8 U.S. families struggling to put food on the table, and over 815 million people around the world living in hunger, now is not the time to cut funding for programs like WIC, global nutrition, and humanitarian assistance.

Cutting funding to these programs will increase hunger and hardship for millions of people in the United States and abroad. As Congress works on the remainder of the fiscal year 2018 spending bills, I urge you to reject cuts to lifesaving programs.

Sincerely,
